Virtual Classroom

Set-Up

When setting up our Virtual Classroom, we have striven to offer the same quality of customer experience as attained through our 'face to face' training environment

Take a look at the great feedback on our **About Virtual Classrooms** tab <https://fasttrackcomputertraining.co.uk/about-virtual-classrooms>

The Fast Track Virtual Classroom is currently choosing Microsoft Teams as the main Conference platform. Therefore, before joining the Virtual Classroom you will need to download Microsoft Teams.

Delegate Pre-Requisites

No previous knowledge required.

Modular Courses

Bite-sized 'Modular' courses where you can build your own one day course covering the topics that suit you - these are modules that you can mix & match!

Module Duration

1.5 Hours

Call us on **01527 836840**

Our team will be happy to give you the options and pricing
